Re: Quarantine - Indigent Travelers

The Borough EOC recommends public support for quarantining indigent travelers that are homeless or without a safety net or adequate funds to quarantine as required by the Borough's Resolution 20-03-854.

Borough administration acknowledges that State Mandates 10.1 and 12 supersede the Borough's resolution, however, it in keeping with the spirit of the resolution of the Assembly, the Borough will attempt to provide for quarantine of indigent travelers.

When, in the course of educating an indigent traveler or homeless person of the requirement for quarantine, an officer of the Haines Borough Police Department determines that the person needs financial assistance for quarantining, the candidate shall be directed to Kevin Woods, Captain, Salvation Army, or his designee.

The Borough will salt an Indigent Travelers' Quarantine Fund in the amount of \$2500 to be administered by the Salvation Army in consultation with the Haines Ministerial Association. The process will include attempting to relocate the indigent person to certified homeless shelter in Juneau. Quarantine Funds may be used for transportation out of the community if deemed most appropriate.

The Salvation Army shall provide documentation of all approvals for public funds to support the indigent to the Haines Borough Finance Office, to be accounted for as COVID-19 Response expenditure.
